10/10

Statistics and Data Science

10/10

Teaching and supervising

EDUCATION

PhD / Environmental Sciences

Federal University of Tocantins (UFT) with sandwich period at the University of Oxford, England (UK)
2019-2023

MSc / Ecology

University of Brasília (UnB)
2014-2016

Bachelor/ Biological Sciences

University of Brasília (UnB)
2009-2013

PUBLICATIONS

- 11 papers in scientific journals
- 3 chapter books
- 2 blogs

LANGUAGE

Portuguese (native), English (fluent), and Spanish

KEY EXPERIENCES

Professor and Researcher

University of Brasília (UnB)/ Brasília-DF / 2010-2016 | 2023-Present

Worked as intern, scientific initiation fellow, master's student and now post-doc researcher. I have been assisting in scientific project proposals, tutoring undergraduate students, and teaching disciplines in biology and ecology.

- Inventory and monitoring of amphibians and reptiles
- Preparing and teaching practical and theoretical biology and ecology classes
- Analysis and structuring of demographic, climatic, and microclimatic databases for environmental change studies

Federal University of Tocantins (UFT) / Palmas-TO / 2018-Present

I have been writing ecological and conservation research projects to get funding and tutoring under- and graduate students. During 6 months I worked as Guest Professor and taught classes for the Environmental Engineering course. I frequently organize workshops to democratize knowledge and enhance accessibility to ecology, environmental sciences, and statistics.

- Preparing and teaching practical and theoretical classes
- Formally supervising 11 undergraduate students
- Teaching and assistance in animal inventories and monitoring, data collection and analyses, and scientific writing

Environmental Consultant

Nippon Koei LAC do Brasil / Palmas-TO / 2016-2023

Worked as environmental consultant in several multidisciplinary projects, coordinated field teams, and wrote several winning technical proposals.

- Biotic, abiotic, and social data collection for socioenvironmental diagnostics
- Statistical and geoprocessing analyses
- Writing and Revision of technical reports and proposals
- Teaching lectures and workshops
